

Get a Better Catalog! Next-Gen Discovery Interfaces for Library OPACs
LibraryLinkNJ Webinar with Marshall Breeding
February 17, 2011
Chat Transcript

Jessica Adler:like the rest of the web...

Jessica Adler:it certainly looks clean and simple

Yongming Wang:do you have anything to say about LibraryFind?

nancy madacsi:Are people using the OPAC page as the primary landing page?

Ann Hoang:Do you have comments about Blacklight from UVA and Kuali OLE project?

Yongming Wang:Villanova now have VuFind and Summon side by side. Do you think that's the future?

nancy madacsi:Yes

David Murray:Do you know of any integrations with course mgt systems or e-portfolios? So students can use library resources without leaving one of those platforms?

Sharon Yang:Can we see a recording of this webinar online somewhere? I missed part of it

Jessica Adler:Sharon that info will be emailed to you after the webinar

Anile Martinez:Thank you. It was very informative.
